Freshman Orientation: As freshmen we walk the halls with shyness, reservations and the underlying uneasiness of growing up. Time goes by. We enter another year: Sophomore Year. New friendships form, involvement increases and fears vanish. The anxieties of newness fade away while self assurance and confidence edge their way into our lives. Yet another year passes. Junior Year begins with the worries and the yearning to be free to start anew, break the ties and be on our own. Yet even this yearning is tinged with remembrance of the past years . . . only happy memories . . . SENIOR GRADUATION!

ENGLISH

Our English curriculum consists of a wide variety of courses. Freshman English students concentrate on grammar skills, while sophomores read novels such as *Huckleberry Finn, The Scarlet Letter,* and *A Farewell to Arms.* Upperclassmen may select "English Literature since 1800" and learn about such celebrated poets as Keats, Byron, and Shelley. Also, all students enroll in the mandatory course of "Effective Writing," in which improvements on composition skills are stressed. Other interesting areas include "Language, Thought, and Behavior," which deals with man's daily use of language and it's effect on his behavior, "Media," "Mystery and Adventure," and "Sports Literature."

The Dayton English Department continues to offer a wide variety of choices for the diverse interests of all its students.

HISTORY

As we chartered our way through the streaming words of the history books, we uncovered many unfound treasures. We discovered the Revolution, the Boston Tea Party and Manifest Destiny. We struggled through many tests, quizzes, and term papers. We'll always remember carrying home and studying from "Bailey." We cram for tests prepared by our strategically minded teachers and we may have lost some battles but hallelujah . . . we won the war. Now we can look back and smile thinking of all we learned, and also knowing that it's just a thing of the past . . . it's History!

FOREIGN LANGUAGE

Hello, bonjour, hola, bonjourno, shalom, salvēte, guten tag . . . these are just a few ways that the word hello is expressed around the world. Here at Jonathan Dayton, one can choose to learn the word hello in six different languages; French, Spanish, Italian, Hebrew, Latin, and German. The history, language and lifestyles of these countries are explored in depth through many interesting and informative activities. Students visit museums and restaurants and attend films, plays and concerts as part of their study program. Dayton's extensive foreign language department helps students to broaden their horizons and increase their understanding of other cultures.

MATH

No other subject causes as much anxiety among students as Math. From Basic Mathematics to Calculus, the hours spent on homework and in class seem endless. Question after question is answered by dedicated teachers. Finally after sleeping through lectures, struggling through the homework and praying through the tests, the feeling of accomplishment coming from understanding makes all the hours worthwhile.

Some Familiar Math Quotes:
"O.K. Let's go over last night's problems."

"That deserves a dot!"

"That's the stupidest question I ever heard!"

"Whaaat!"

"Pismo Beach."

"But I don't understand Mr. Krupp!"

DISCOVERING THE UNKNOWN

SCIENCE

The Science Department is geared towards helping us to learn about and experience the world around us. Students learn through experiments, lectures, and disections. Actually seeing the innards of a disected animal or mixing the substances to produce a chemical reaction helps to make the science courses much more interesting and understandable. Science can help students develop an awareness of the miraculous functioning of the life processes in even the most simple plants and animals. Dayton has many different science-related courses which can appeal to the diversified interests of its students.

BUSINESS

The Business Education Department gives students a chance to experience some aspects of the business world and thus stimulate their interest in various business careers. It satisfies both needs of college oriented students and those with business careers in mind. The wide variety of courses ranges from Exploration of the Business World, Business Math, Typing, and Stenography to more involved Concepts and Principles of Accounting. Students, through the use of mathematical techniques, modern business facilities and machines and communication skills are familiarized with many possible future professions.

HEALTH AND PHYSICAL EDUCATION

Memories of gym and locker room fantasies. "Why don't the windows open?" "Please excuse me from gym today, I have a test next period." How many times we've asked, "Is it time to go in yet?" and "they're making us run the 600!" By year 4 we knew all the rules of frosty tennis matches, soccer in early September, the softball games in late June. And who can forget health. Every year we said we'd do that report right away, but somehow we end up doing it the night before. Those of us who were fortunate enough to have behind the wheel, will never forget those pleasant drives that gave "lucky" teachers major coronaries! — and we hid behind the visors so as not to be seen in that car with the sign on the back!! In conclusion: don't forget to take your sneakies home and hand in your locks!

STRIKE UP THE BAND

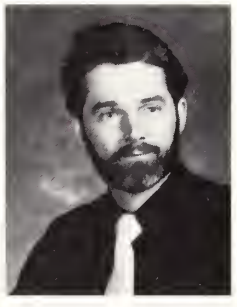

CULTURAL ARTS

The Cultural Arts Department consisting of Vocal Music, Instrumental Music, and Arts Department, is an active part of our school. These specialized departments allow students to better develop and express their talents in these three areas.

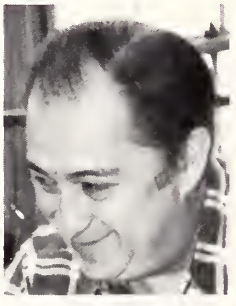

The Vocal Music Department, includes three choirs, Vocal Workshop, Concert Choir, and Chorale. Vocal Workshop is designed specifically for beginning singers. Concert Choir, a more advanced and skilled choir is the step before Chorale, the most advanced and musically disciplined performing group.

The Instrumental Music Division of the Cultural Arts Department is a combination of Marching Band, Jazz Ensemble and various music courses. Instrumental Lessons are provided for students who are not yet skilled enough to join the band.

The Arts Department allows artists of all levels of talent to better their artistic skills. Various courses are provided for everyone, for those who are serious about art to those who just want to enjoy themselves.

GUIDANCE

The guidance department, headed by Miss Charlotte Singer is organized to aid the high school students in planning for both the present and the future years at Jonathan Dayton. During a student's sophomore and junior year the counselors begin preparation for college planning along with PSAT and SAT testing. By the student's senior year, the counselors are ready to aid the students in planning for after graduation. All through high school, the guidance counselors are ready and willing to help a student with any problems that might arise. As a result of the fine guidance we have received throughout our years at Jonathan Dayton, we are now ready to make our way into the future.

RESOURCEFUL

SPECIAL SERVICES

The people of special services provide assistance in many areas of the school. Their jobs involved helping individual students with minor school related problems. Although they are not fully appreciated by the school community as a whole, they provide a very valuable and note-worthy service. Their help involves working in the learning and resource centers, the library, and the health office. A special thanks to the special people of special services.

HELPING HANDS

The Learning Resource Center provides extra attention for those students who need it. It also aids students with their major subjects. One of the LRC rooms gives students time to work on their homework assignments given in their other classes, in addition to the work given by the LRC teachers. The other LRC is slightly more structured, and works on a more one to one basis.

KEY CLUB:
STRENGTHEN FROM WITHIN

The 1983 Key Club

Do actions speak louder than words? For the Key Club, a service organization which aids both the school and community, the answer is YES!! Keeping in line with this year's international theme, Strengthen From Within, the club has sponsored numerous fund raising activities campaigns, with all proceeds going to charity organizations. The most successful fund raising activity was a Leukemia Bowl-A-Thon raising over $3900.

The highlight of the year for Key Clubbers is the N.J. District Convention held from April 15-17, at Tamiment Lodge in the Poconos. Year after year, the Key Club prides itself on receiving numerous achievement awards and this year's Club officers hope to place well in the Single Achievement awards and the divisional Awards.

Wednesday is Sundae at the Key Club.

COME FOLLOW THE BAND

The Jonathan Dayton Marching Band maintained it's tradition of musical excellence and marching and maneuvering ability during this year's fall competition season. Under the student leadership of Senior Drum Majorette Cindy Gaivano and Junior Drum Majorette Gayle Grabinski, the marching band enjoyed another successful marching season in the Tournament of Bands marching circuit placing first place in two competitions, second place in five competitions and a respectable third place in the Atlantic Coast Championship held this year in Ben Salem, Pa. Trophies were won by the band for best band front, high marching and maneuvering scores and high music. The biggest and best T.O.B. contest ever held at our school was held this year and included eighteen participating marching bands.

REGIONALOGUE 1983

The purpose of the Regionalogue staff is to design, create, and produce the 1983 Yearbook. The work is done during a regular class, which runs for the first semester only. The students are divided into groups and each group is given a special project. The projects consist of designing a certain number of pages, selecting and cropping the pictures and finally, transcribing the pages on special sheets. The projects are graded on their overall appearance and originality. The yearbook staff, with the help of their advisor, Mr. Cafone, works to achieve a yearbook that will be treasured for years to come.

The Dayton Journal is a very important part of our school. Every month the staff strives to bring to students of Jonathan Dayton an informative and interesting account of the month. The Journal's pages are filled with news events, social happenings, puzzles, comments from fellow students, and feature articles.

This year the Dayton Journal is better than ever with the help of the 1982-83 editorial staff. The editors consist of: Editor-in-chief David Gold; News Editor Vincent Van Pelt; Editorial Page Editor — Milton Smith; Features Editor — Jon Lesnik; Sports Editor — Drew Creoley; Photography Editor — Mike Danburg; Art Editor — Mike Silverman; Business Editor — Rosanna Koster; Financial Editor — Fred Israel; Secretary — Leslie Meskin; and Faculty Advisor — Mrs. Julia Latzer.

THE NATIONAL HONOR SOCIETY

The National Honor Society, an organization sponsored by the National Association of Secondary School Principles, provides commendation for superior students. Students eligible for the National Honor Society must exhibit outstanding ability throughout high school. The students are selected on the basis of scholarship, character, leadership, and service. The criteria for membership is that a student must maintain a 3.5 or better scholastic average while also receiving favorable recommendations from teachers based on the above qualification characteristics. The society also provides a free tutoring service for Dayton students having any academic difficulty.

EXECUTIVE SEARCH

Club Advisor: Mr. Rossi

The Executive Search Club, a fairly new program, consists of students from the Accounting II class. The club's advisor is Mr. Julius Rossi. The members' main purpose is to help people who are less fortunate. An example of the Club's activities is the annual Christmas "Sharing is Caring" program in which half of the food made is given to needy families. The club tries to service students in the school filing income tax returns. Also, an annual field trip is taken to the New York Stock Exchange and guest speakers from the Business world are provided to the class. In the future, the club hopes to achieve a greater standard in helping the community and the student body.

FRENCH CLUB

The 1983 French Club was composed of a majority of underclassmen this year. Their fund raiser was selling note pads and pens, and was very successful. The major event of the year for the French Club was the International Dinner where they all prepared French food. The Club was very active in National Foreign Language Week, in order to encourage new membership.

The two main goals of the German Club are to promote German culture and to have fun the German way. This year the club members have certainly achieved these goals! Led by Frau Oberding, the faculty advisor, the club participates in a wide variety of activities. In October, the club held their annual Octoberfest to celebrate the beginning of fall. A St. Nickolaus Party, field trips to German speaking areas, fund raisers and folk dancing are all part of the club's plans. One of the major highlights of the year is the Beer Drinking Contest, which, unfortunately, club members only consume Root Beer!

German students who have achieved a 3.6 average in German and a 3.0 average in all other subjects are eligible for membership in the German National Honor Society. These members also participate in all the various activities the club has to offer.

Club Advisor Mrs. Eckman

This year the Hebrew Club participated in many interesting and exciting activities that were made possible by their fundraiser which featured a watch sale emphasizing the theme of time. Also planned were trips to the Jewish Museum in New York City and to the show "Joseph and his Technicolor Dream Coat." The Hebrew Club also participated in the International Food Festival. This year was a great success according to Mrs. Eckman and the whole club.

LATIN CLUB

The Latin Club began the year with the greatest membership ever. Their fundraiser, which was a candy sale, proved to be very profitable. Other activities included a Saturnalia party in which members attended dressed in togas and sandals. New to the club this year is membership in the Junior Classical League, where several club members will attend conventions and compete in Latin aptitude tests. Mrs. Hedges, the club's advisor, is looking forward to the coming year. Bonam Fortunam, seniors.

BEWARE THE JERSEY DEVILS!

The Indoor Guard is a group of talented girls who coordinate dance and equipment work in a musical routine. This year's Guard includes a flag line, and a rifle line. Lori Masiello is the flag sergeant, and Chris Martino is the sergeant of the rifle line as well as the captain of the Guard.

Although the Guard is competing in a very difficult circuit, their talent and experience, as well as director Jeffrey Anderson's expertise, should insure their continued excellence.

Laura Brown demonstrates her professionalism.

This year a new face was added to the Vocal Music Department when Ms. Brenda Kay took over the job of director. She provides to the students of our school with vocal and musical interests, an opportunity to improve upon their skills and to develop a deeper appreciation of all types of music. The vocal department is divided into three groups: Vocal Workshop, Concert Choir, and Chorale. These groups have the opportunity to exhibit their talents through many concerts given throughout the year. When the students are not performing they are busy with various fund raisers such as a singing marathon, pumpkin sales, and an Elizabethean Madrigal Dinner.

VARSITY CLUB

President: David Gold

Ingenious fund raiser: Mr. Marionni

The 1983 Varsity Club had an assortment of productive fund raisers this year to raise money to buy the traditional varsity letter jackets. Their big money raiser was the holiday package which included gift wrap, ornaments, placemats, cards, and key chains. This year the Club ordered a Rugger type shirt for those members who had not received a varsity jacket.

Future Business Leaders of America, (FBLA) is a new club this year started by Mrs. Sherri Wendroff. Consisting of about 25 students involved in a business course, this club helps them to learn more about the business world. Although the club hasn't been active enough to participate in business competitions, Mrs. Wendroff hopes this year's members will initiate more enthusiasm for next year's members. This year's plans include: a day trip to a business company, to see what is expected of you in the business world; a cookie sale, to raise money for the treasury; and in honor of secretary's day, refreshments for all secretaries of the school; and much more. Club officers are President — Dawn Trivett, Vice-President — Fawn Fusco, Secretary — Donna Baltus, and Treasurer — Janice Travaska, whom all feel that the club is a good addition to Dayton's curriculum.

Darlene and Cathy practice their business skills.

Without a photography staff, a yearbook would not be able to be produced. Special thanks are in order to an outstanding photography staff. Although many of us would prefer not to be surprised by the flash of a quick eyed photographer, "As time goes by" we will appreciate his or her work. For the memories that these pictures will bring to mind of our years at Dayton are priceless.

The Italian Club is composed of a group of students who study the language during the school year. The club, under the direction of Mrs. Santilli, provides its members with additional exposure to the Italian culture.

A special event in the Club's calendar is their annual Christmas party. Each member prepares an Italian dish, and they enjoy demonstrations in cultural song and dance.

Through fund raisers during the year, the students collect money to sponsor a cultural trip in the spring. This trip permits the students to familiarize themselves with the Italian aspects of our country.

Having active membership in the drama club, involvement in plays or work behind scenes often leads to admittance in the National Thespian Society. The society is established to honor those students who demonstrate outstanding achievement in the theater. The drama club is advised by Mr. Joseph Trinity.

Under the direction of Mrs. Eleanor Billig, the girls, in their familiar white hats, prevent confusion by directing students and parents at various school functions. Besides ushering at plays and musicals, the student auxiliary directs parents on Back to School Night, and incoming eighth graders at Freshman Orientation.

So the next time you lose your way . . . look for the girl in the little white hat!

WHO . . .

Susan Bailey thinks, "I really don't care who dunnit!"

On November 6, 1982, "The Butler Did It" was presented by director, Mr. Joseph Trinity and student director, Ellen Freedman. This unravelling murder plot of a "who dunnit" was performed in Halsey Hall, with a setting in a New York theater.

The cast members include Mark Shanamon as director of the play within the play; Laura Parmet as Mrs. Butler; the victim of the murder; Alan Souza, as butler of the Butler family; Susan Bailey as Victoria Butler, daughter of Mr. and Mrs. Butler; Scott Hewitt as the detective; and Brandt Feuerstein as Mr. Butler. We would like to thank the cast for their hard work and the directors for their patience that made "The Butler Did It" a success.

"Hello Jenny? Is this 867-5309?" asks Mark Shanamon.

Scott Hewitt wonders where his next line is.

DUNNIT?

Susan Bailey, Alan Souza, and Scott Hewitt listen intensely to what Laura Parmet is reading.

"Wait a minute, did I forget something?" wonders Laura Parmet.

"Hey Alan, you skipped a line!" exclaims Mark Shanamon.

Brandt Feuerstein determined to find out who dunnit.

SPANISH CLUB

The Spanish Club has gone international! Planned this year were an International Picnic which went over very well. Several clubs joined in games and ate authentic foods prepared by club members. Other plans included the International Dinner and a trip to see the Broadway Show Evita. This was all made possible by their candy fund raiser. Miss Epstein, the club's advisor feels that this year was a fun and enjoyable one.

NAME THAT TUNE!

The Jazz Ensemble is a way for the musicians in our school to continue performing after marching band season is over. Because it is a small group, the members are able to concentrate on only playing jazz music and on improving their musical abilities. The jazz ensemble is divided into four groups: the saxophones, the woodwinds, the brass, and the percussions. The group has the opportunity to perform more challenging selections than the concert band. They hold their performances outside of Jonathan Dayton with the help of Mr. Jeffrey Anderson, their advisor.

The 1982 season was an all around success for the Jonathan Dayton gymnasts. The team worked very hard to achieve their record of 13 wins and 5 losses. The girls worked their way up to the playoffs and placed fifth in the Bulldog Invitational Tournament and third in the Union County Tournament. The coaches, Howard Cushnir and Larry Guarino, assisted the girls in their outstanding season. Captain Karen Rose and co-captain Gina Pashian contributed to the team with their enthusiasm and showmanship throughout the season. Hopefully, the team will do as well in future years as they did this year. Congratulations Girls!

. . . HIKE!

"First and what???" asks Nick D'Achille.

Last year's history making season was a hard act to follow, but under new coach Anthony Policare, the football team fought to rekindle the Bulldog flame; that of success. The Bulldogs did just that, ending the fall season with a solid record of 5-3-1. Team leaders Kyle Hudgins, Anthony Castellani, Joe Roessner, Pat Esemplare, Matt Kuperstein, Nick D'Achille, and junior Ron Martignetti, led the force of strength with outstanding vigor, stamina, and skill. The final victory against a new Turkey Day opponent, state ranked Hillside, iced the cake of a season marked with perseverence, pride, togetherness, and most of all . . . SUCCESS.

HOMECOMING '82 . . .

The Fall Festival this year really exemplified the school spirit of the freshmen, sophomores, juniors, and seniors.

The Halloween Pep Rally kicked off the Fall Festival, where each class was judged on their spirit and enthusiasm. Next came the banner painting contest, in which the sophomores won. Highlighting the Fall Festival was the hall decorating contest, whereby the seniors showed the most talent and creativity and took first place.

Following this exciting week was the annual Homecoming Dance which was held on November 19th. The finalists were introduced early in the evening and at 10:30 p.m. the winners were announced. Kyle Hudgins was crowned Mr. Regional, while the other Mr. Regional finalists were Pat Esemplare, Joe Roessner, Ron Fusco, Henry Largey, and Dan Connolly. The Homecoming Queen finalists included Karen Flynn, Barbara Petitti, Yael Rubanenko, Terri Scelfo, and Linda Seymour. Joanne Ellenberger was crowned Homecoming Queen and her court was Karen Apicella (84), Carmella Carpenter (85), Joanne Centimore (86), and not to forget the senior court jester, Charlie Colline. The following Wednesday, November 24, Dayton's annual Thanksgiving Day Pep Rally took place. Each class was allowed five minutes to present a skit. Once again the students showed their enthusiasm and school spirit. Unfortunately there can only be one winner and the fall competition ended with the seniors in first place.

Miss Duke and her cheerleaders spent many hours organizing and preparing for this fall competition. All their hard work and effort paid off as the Fall Festival was enjoyed by all.

The 1982 Varsity Soccer Team finished their season with an impressive 12-6-2 record. The team got to a quick start, winning seven of their first eight games. Their greatest victory was their 4-2 win over then undefeated New Providence.

The Bulldogs were defeated in County Tournament play by Governor Livingston, although only by a score of 1-0. However, they later overcame Hackettstown in the first round of the States. Their season ended with a nailbiting 4-3 loss to Madison, who went on to become the Group II Allstate Champions.

This year's team was captained by two four-year varsity players, Henry Largey and Andrew Grett. Lead scorer Largey claimed 21 season goals and a career record of 66. Star golaie Grett pulled 11 shutouts, totalling 34 during his career. The captains and their team of spirited, talented players finished with a successful and memorable season.

This year the Girl's Varsity soccer team had some outstanding elements throughout the season. The Tri-Captain system of Kathy Rickerhauser, Kathy Price, and Lisa Wood proved effective for the beginning of the season. Strong play was also exhibited by Junior Patty Kelly and Sophomores Michelle Coddington and Kathy Meixner. They helped lead the team to it's first victories. Seniors Donna and Darlene Keller played well defensively to help keep Dayton in the advantage position. In the goal, Senior Noreen Rothfuss kept many threatening shots out of the goal. The team began rolling at the beginning of the season by beating Hillside and Chatham. The team performed well throughout the whole season.

A new type of chorus line.

The Girls' Cross Country Team experienced its most successful season this year. The girls practiced hard throughout the season and this dedication paid off; the team displays an undefeated dual meet record of 11-0. The Girls' Cross Country Team is the Mountain Valley Conference Champions and the North Jersey Section II Group II Champions. The girls finished second in the Union County Championship Meet and qualified for the Meet of Champions for the first time in Dayton history by placing second in the Group II State Championship Meet.

Juniors Laura Richter and Mary Pat Parducci together held the number one spot all season. They were followed closely by freshman Tracy Biber. Captains Beth Mortimer and Shirley ran in positions four and five respectively and were followed by juniors Traci Karr, Nancy Gaglio and Sandy Brenner. Also running well were Kathy Drummond, Amy Keill, Lisa Mortenson, Traci Spivack, Margaret Taylor, Ellen Westermann and freshmen Caitlin Haughey, Shanon Kiley, Cindy Mozer and Nancy Rosenbauer. Coach Bill Jones looks forward to next year with the return of many runners.

A relatively inexperienced squad could not stop the Boys' Cross Country Team from maintaining their standard of excellence. The boys display a dual meet record of twelve wins and two losses. The team finished second in the North Jersey Section II Group II Championship Meet which qualified them for the Group II State Championship Meet.

Captains Dan Connoly and Mitch Cutler led the team to their victories. Other seniors turning in excellent times were Sal Colatruglio, Herb Foster, Jim Stieve and Mark Stieve. Also running well were Tom Lauston, Joey Melkowitz and freshman Tom Jackson. Coach Martin Taglienti looks forward to next year with several returning runners.

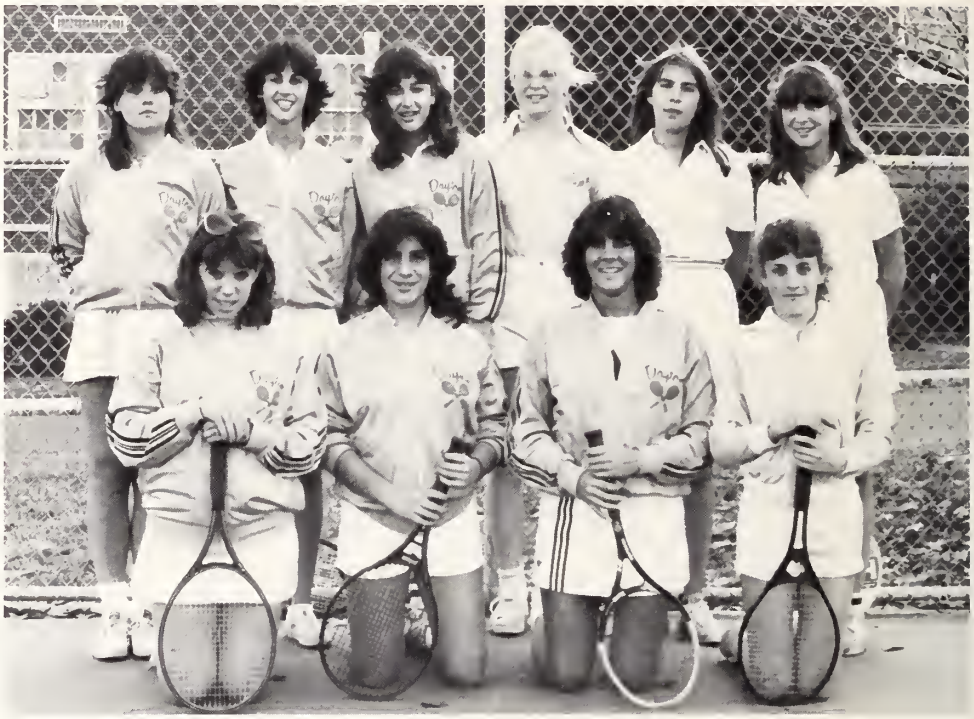

"I love running this much." shouts Dan Conolly.

IN TENNIS . . . LOVE MEANS NOTHING!

This year the girls tennis team had a successful season, with a 13-7 record and placing third in the county tournament.

The team had a very strong starting line-up with freshman Liz Schramm, who led the team with very strong play. Also, Junior Linda Hockstein at second singles had an excellent season being undefeated in dual match play. Linda and Liz both placed second in the Union County Tournament. The remaining line-up consisted of Alison Keehn at third singles who later rotated with Barbara Petitti at first doubles. Junior Janie Ginsberg held down the other first doubles spot with consistent play. A rotating system was used for second doubles this year with Alisa Seigal, Vicki Anderson, and Sharon Kutsop. Coach Jasinsky was pleased with the team's overall record and looks forward to a very promising season next year.

WE'VE GOT THE SPIRIT...

Cheerleading not only consists of cheering, but also the attempt of bringing high spirit into the halls of J.D.R.H.S. It all began with the long hard practices and preparation for the spirit building activities. With the help of our advisors, Miss Linda Duke, Miss Sandy Earl, and Miss Vicky Novak, the fall festival was once again a success.

Cheerleading became a six day a week activity. Before the season started no one relaized how much time and dedication were needed to keep the spirit alive. We all anxiously awaited the Thanksgiving day game, despite the fact that it would end the fall season, and for the seniors it would end their football, soccer, and cheerleading experiences. It was a lot of hard work but who ever said work couldn't be fun!!! And we did have fun!!!

A face only a mother could love?!

Donna Baltus exclaims, "What cheer is this?"

SO LET'S HEAR IT!

"We got power, we got pride, we got Michelle and Karen on our side."

Once again the cheerleaders had a busy season organizing many spirit-building activities. Unlike previous seasons the team consisted of eleven squad members and seven alternates. Also with a "cut across the board," a number of games were eliminated, easing the hectic sports schedule. Instead of cheering six nights per week, the cheerleaders cheered three nights per week and an occasional Saturday game.

The secret success of the 1982 Winter season was a close knit bond that has formed between squad members. Through hard work and dedication the cheerleaders have excelled in their strengths and conquered their weaknesses.

The moments were temporary but the memories will last forever . . .

Dayton Cheerleaders say hello!

The boys' basketball team jumped to a good start this year, being 7-1 after the first 8 games. Coach Yanchus is enthusiastic that the team will reach both the state and county tournaments. The bulldogs offense is paced by Jim Price who is averaging nineteen points a game, and by the quickness of Ron Fusco. On the defensive end Timmy Walker and Kyle Hudgins are pulling down rebounds to spark their winning streak. Michael Grazianno, the remaining starter fills in all the gaps, and seeing that he is only a sophomore Dayton will see him in the future. All in all the BULLDOGS are anticipating an excellent season.

Ron Fusco in control.

THE GIRLS OF THE COURT

The girls' basketball team has begun it's most impressive season this year. Although they started the season with two tough games the girls have not lost their determination. There are also signs of considerable improvement in the win-loss column. The lady bulldogs are enthusiastic about the remainder of the season and with key play from Linda Hockstein, Traci Karr, Kathy Drummond, Kathy Meixner, Kathy Price, and Dawn Polhman, their hopes will be fulfilled. Coach Krupp, although optimistic, is encouraging the girls, and hopefully this will be their best season ever.

STEPPING OUT . . .

After returning from a very successful season last year, the 1982-83 Girls Indoor Track team is aiming to surpass last year's accomplishments. With a large number of returning letterwinners, it looks as if their goals will surely be fulfilled.

The team is led by Captains Beth Mortimer, Elinor Sadin, and Shirley Salemy. Together the talents of these girls cover most of the running events with Beth participating in the middle distances, Elinor in the sprints and hurdles, and Shirley running the distance races.

The depth of the team is a major factor contributing to the team's success. In the hurdles, strength is provided by veterans Amy Kiell, Nancy Gaglio, Karen Apicella, and newcomer Diane Cohen. Covering the sprints are Sue Zavodny, Rochelle Smith, Kim Rickerhauser, and Laurie Melman. Middle distance runners consist of Ann Marie Cocchia, Margaret Taylor, Lisa Mortenson, Patty Kelly, and Sandy Brenner. Running the distance races are Laura Richter, Mary Pat Parducci, and Tracy Biber. Filling in with performances in the high jump are Donna Commarato and Karen Wnek, and in the shot put are Cathy Teitscheid and Robyn Lifshultz.

The team has four dual meets scheduled and is looking forward to many major relay and invitational meets. Among these major competitions are the Holiday Relays, Plainfield Invitational, Passarelli Invitational, Princeton Relays, County Relays and individual meet, and the highlight of the season, the State Relay and Individual meet.

The 1982-83 Girls' Indoor Track Team

TEARING UP THE TRACK

Mitchel Cutler shows his determination.

Coach William Byrne has high hopes for the Boy's Indoor Track team this year. Even though they are a relatively young team, the boys have the potential to reach their goals of a successful season.

The team is led by Captains Sal Colatruglio, Mitch Cutler, and Herb Foster. Sal and Herb cover the middle distance events, while Mitch concentrates on the distance races.

Several other outstanding athletes add depth to the team. Seniors Ed Hanbicki and Andy Karr, along with underclassmen Jim Rau, Steve Borsellino, and Darren laione, cover the sprinting events. The hurdles are covered by juniors Mike Boland, Walter Clarke, Scott Viglianti and sophomore John Dahmen. The middle distance events are strengthened by senior Mark Stieve and freshman Philip Feuerstein. The distance events are run by senior Jim Stieve and underclassmen Tom Lausten, Joe Melkowitz, Gary Francis and Tom Jackson. Covering the shot put are seniors Nick D'Achille, Luca Sannino, and underclassmen Mark Baranek and Mark O'Donnell. The team has several dual meets, relay meets, and invitational meets scheduled. The highlights of the season include the Holiday Relays, Plainfield Invitational, Passerelli Invitational, Princeton Relays, County Relay and Invitational meet, and the State Invitational and Relay Meet.

The 1983 Boys' Track Team

STRIKE 'EM DOWN

The Bowling Team got off to a great start this year, compiling victory after victory. The team is led by Dan Freedman, who is returning after a fabulous season last year. Coach Swedish began the season in an optimistic fashion because of the number of experienced bowlers who have returned. The team hopes to be a contender in the Union County Tournament with aspirations of getting a Lite Beer commercial.

GIRLS' VOLLEYBALL

1st Row: Robin Brand, Sandy Albert, Noreen Rothfus, Arlene Westerman, Lynn Kuczera. 2nd Row: Coach Fenton, Beth Olarsch, Donna Skella, Michelle Grieco, Thea Winarsky.

The Girls' Volleyball Team coached by Mr. Steve Fenton enjoyed a successful season. The team traveled to eleven away games and played in eight home games. The girls faced tough competition, their toughest being Columbia. Returning letterman included seniors Sandy Albert and Noreen Rothfus as well as co-captains Arlene Westermann and Robin Brand. All the girls are optomistic about next year's season.

Noreen poses for a non-action shot.

Sandy Albert shows us one of her moves.

IN THE SWIM

First Row: David Luckenbach, Dominick Giovannone, John Alder. 2nd Row: Ann Rybicki (mgr), John Fischer, Hal Levine, Wayne Hattenbach, George Markos, John Simon, Karen Flynn (mgr). 3rd Row: Peter Jaffe, Bob Alder, Bill Cieri, John Seaman.

For the first time in its existence, the Jonathan Dayton Swim Team had a separate girls' and boys' team. Still arising around 5 a.m. each day, both teams travel to the Union Boy's Club for long workouts, returning just in time to start school.

Under the direction of head coach Howard Cushnir, the team members made up for their lack of experience through their determination. Captains Lisa Jackson, Dominick Giovannone, and John Alder guided the teams to a respectable season.

The key to success for Dayton swimmers has been a total commitment by senior swimmers as well as several promising underclassmen.

1st Row: Ann Rybicki, Karen Flynn (managers), Lisa Jackson, Carol Heymann, Maureen Barisonek, Fran Boraczek. 2nd Row: Liz Tromp, Noreen Rothfuss, Racheal Gural, Jill Sciocia, Donna Keller, Mindy Zitomer.

GIRLS' SOFTBALL

The 1983 Girls' Softball Team, led by Coach Howard Cushnir, had a strong team this year because of the dynamic returning players. Kathy Rickerhauser, Kathy Price, Ann Ryabicki, Marianne Branco, Lisa Wood and Amanda Wycoff all displayed outstanding talent and helped make a successful season. Although competition is always tough, through dedication, experience and hard work, Dayton Softball Girls always are a credit to the sports program.

RACQUETEERS

This years' Boys' Tennis Team is once again expected to be a strong competitor in the Mountain Valley Conference. Coach Cowden is hoping for victories in the County and State Tournaments. Returning letterman Mike Berliner, Dan Freedman, Pete Sommer, and Kip Levinson will help the team reach their goal for an outstanding season. Other upcoming players include Matt Dooley, Drew Greeley, Tony Millin, and Gary Schlager who will also help with this years' season. Despite last years over-whelming success Coach Cowden looks forward to much impressive play along with many victories.

A smashing serve by Kip Levinson.

Pete Sommer ready for action.

UP AT BAT!

Coming off a very successful 14-8 season, Coach Robert Lowe is very hopeful about the 1983 season. Solid team unity is the team's strong point along with a great desire and attitude. Returning letterman, Torborg, Policastro, Fusco, Roessner and Esemplare should form a good nucleus and lead the team throughout the season. Good pitching, solid defense and a fine team attitude should make up for the lack of solid hitting. If the 1983 Baseball Bulldogs get off to a good start, experience and confidence will come quickly and it could be a very successful and rewarding season.

SPRING . . .

The Spring Girls Track Team had a very successful season this year due to the combined effort of returning seniors Elinor Sadin, Beth Mortimer and Shirley Salemy. Strong efforts in distance were shown by Amy Kiell, Nancy Gaglio, Laura Richter, Mary Pat Parducci, Tracy Biber, and Sandy Brenner. In the shorter distances Linda Hockstein, Kim Rickerhauser, Donna Commarata, and Lori Melman showed exceptional speed.

BOYS' SPRING TRACK

Tom Jackson, Joe Melkowitz, Sal Colatruglio, Mitch Cutler

This year the Boy's Outdoor Track team is looking forward to a promising spring season under head coach Bill Byrne. Three returning lettermen, Sal Colatruglio, Mitch Cutler, and Herbert Foster, will captain the team.

The boys face their toughest competiton in their first two meets this season against Bound Brook and Middlesex, where their talent and experience should lead them to success.

DAYTON GRAPPLERS

Led by Coach Iacono, the Dayton Regional Wrestling team finished the 82-83 Campaign with a 6 Win-8 Loss season. Despite the record, the Bulldogs had a number of strong efforts the Mountain Valley Conference.

Co-Captains Anthony Castellani and Matt Kuperstein carried home most of the individual laurels with both boys winning state district championships. Matthew also won the Governor Livingston Tournament for his second time. Matt also became Dayton's first Region III Champion since 1979. Junior Alfie Heckel placed third in District XII and runnerup in the County Championships.

Coach Tony Policare brought some new ideas to the Regional Wrestling program which we hope will yield more champions in the future.

GOLF

The 1983 Golf Team, under the direction of head coach Ray Yanchus is anticipating a successful season. Captains David Luckenbach and James Bennett are both experienced players. The team plays many of its matches on the Baltrusol Golf Club green, giving them a home course advantage. Practice and dedication combined with talent and experience will make Dayton a superior member of the Mountain Valley Conference golf circuit.
